

THE FIRST SMART FRIDGE, CONNECTED, SIMPLE AND SAFE WORKING IN HYBRID MODE!

- ◆ 2 INDEPENDENT COOLING UNITS
- ◆ 36 LOCKERS WITH ELECTRIC LOCKS
- ◆ MANUAL EXTERNAL DOOR TO LIMIT HEAT LOSS
- ◆ 3 OPERATING MODES:
RESERVATION, PURCHASE, HYBRID
- ◆ POSSIBILITY OF WORKING WITH SEVERAL DIFFERENT MANAGERS
- ◆ TAKES INTO ACCOUNT PEOPLE WITH REDUCED MOBILITY

The “KZIER” locker works exclusively with the “IZIII©” suite, specialized for the HORECA world, but also for Retail.

From IZIII©, you simply manage the configuration of your Lockers.

Each Locker can be configured in 3 modes:

- **Reservation:** to limit your production losses, you can oblige users to order their meal in advance.
- **Direct buy:** allow users to pay and take away their meal immediately, or take it away a little later. A simple vending machine.
- **Hybrid mode:** combines reserved meals with immediate purchase. All unreserved racks can become immediate purchases, so you can make the most of all your racks!

MULTILINGUAL, WORKS BY DEFAULT IN 3 LANGUAGES: FR, NL, EN
